

LMS Early Career Fellowships Frequently Asked Questions

1. *Do I have a greater chance of success if I apply for a shorter period of time?*
No. The main reason to apply for less than six months is if you have a gap of less than that time between two positions. Please note that if you start another job before the end of the fellowship you are expected to resign from the LMS fellowship. The Committee may offer fewer months to some applicants in order to support more candidates.
2. *Can I*
